

This biographical dictionary is an indispensable research tool for information about the prominent persons of the past seven decades in China. The book documents nearly 600 Chinese individuals who contributed, for better or worse, to the development of Chinese life and culture since the founding of the Peoples Republic of China in 1949. Though the book is weighted toward political figures, it includes persons in business, the military, academia, medicine, social movements, the arts, entertainment and athletics. In addition to an objective description of the persons life, an analysis is provided that identifies the individuals contributions and importance.
