

When I sold my soul, I knew it would only be a matter of time before the demon came to collect... Six months down the line, the demon who owns my soul has come calling. Not only does the demon want to drag me to Hell, it wants me to undertake a dangerous and impossible mission while I'm there, in exchange for getting my soul back. With no choice but to take on the mission, I soon find myself thrust into the terrifyingly insane world of Hell, where it will take every ounce of my strength and hard won guile to survive the unspeakable horrors I must face in that infernal place. And as if that wasn't enough, I have to try and locate my mother, who is still trapped in a world of damned souls, eternal punishment, crazy Hellions and dangerous demon politics. To survive it all and rescue my mother, I must play the damnation game to win, the only people helping me a little girl born in the fiery pits of Hell itself, and a stranger I meet along the way who may or may not be a treacherous toad. Hell is here for me, and I must do more than just survive to get my precious soul back.
