

Leigh's life is shaping up to be pretty perfect. She married the father of a little boy she fell in love with. They live in a nice house, on a quiet street, and her hobby of a sewing business is keeping her busier than she ever imagined. She's back in touch with her brother who she hasn't seen since she was a child, and her new husband has an eye for his dream job when he graduates in the spring. But when her small symptoms begin to lead up to something big - she has to face the shattering realization that her cancer is back. Leigh struggles with her new marriage, her faith, her desire to adopt the little boy who calls her mom, and the strength to keep fighting for her life.
