

A style guide with heft. Men of Style profiles the best-dressed men of recent centuries: from actors to statesman, playboys to painters, the iconic and the more unexpected. Comprising profiles of their colorful, dapper lives, sartorial and personal, explaining too how they have shaped menswear today. The core focus of the book is not only the story of mens style, but the men who embody it and act as its most inspiring exemplars. A useful for book for students of fashion history, followers of celebrity and stylish men alike.
