

Sexy Irishman, Tomas Demsey, will make you swoon! This New Adult Romance in the Perfect Imperfection series can be read as a standalone novel. The romance takes place in Dublin, Ireland where he meets the mysterious, if dark, woman he falls for in an unexpected way. It's a love story filled with angst, but simmering with passion. Susanna Peters, after losing the only family she ever knew, is obsessed with a lifestyle she can't escape from. Trusting enough to give her heart to one man terrifies her, and she knows the fairy tale will end. "Maybe if she had met him sooner, or wasn't so set in her ways. Or if her adoptive parents were still alive, Susanna might be able to grip onto the ledge and pull herself up. As it was, she was slipping down the slope, and though Tomas thought he could catch her, she knew differently. And he persisted in telling her a fairy tale in an attempt to persuade her that he was a prince and she was a maiden. That would be nice. But life was harsh, and things didn't work out just because some romantic guy decided to play pretend." Tomas has faith in the woman he loves, and a gambler at heart, he risks it all for her. Will Susanna be strong enough to survive her past, and be with the man that has touched her soul? Can they create a life together despite the impossible odds?
