

Completed a short time before his death in 1885, the Personal Memoirs of Ulysses S. Grant is recognized today as one of the most significant American military memoirs of all time. In an honest and intelligent voice, the celebrated Civil War general and former President offers a detailed and intimate telling of the events of the Mexican-American war, and the American Civil War and his role within it as a Union General. At the time of its publication, the Personal Memoirs of Ulysses S. Grant was an instant success—a result of the marketing efforts of Mark Twain, Grant's publisher and personal friend. In an attempt to assist the Grant family in recovering some of the fortune lost when Grant was defrauded of his estate, Twain created a national marketing campaign that used Civil War veterans as booksellers. The resulting sales of over 350,000 copies allowed the Grant estate to be successfully reestablished and the Memoirs themselves to be recognized within the canon of American non-fiction. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.
