

Remo Williams is The Destroyer, an ex-cop who should be dead, but instead fights for the secret government law-enforcement organisation CURE. Trained in the esoteric martial art of Sinanju by his aged mentor, Chiun, Remo is Americas last line of defence. The country is reeling as young American socialites from leading families are dying. Or are they? When one of the dead is found alive, enslaved in an exclusive African brothel, influential people see to it that Remo and Chiun sent to investigate. Whether they like it or not. And if it should happen that local legend speaks of a time when a man from the East and a man from the West will come to liberate the minority Loni people? It could just be a coincidence. Or it could be an ancient debt of honor that the House of Sinanju must make good on. Breathlessly action-packed and boasting a winning combination of thrills, humour and mysticism, the Destroyer is one of the bestselling series of all time.
