

At one time, sports coverage was scores, standings, and star performances. However, sports has evolved into a profitable, complicated, and multi-dimensional business, as broad and complex as any. This book explores the business aspect of sports with an orientation to those topics that are most relevant to journalists, providing the foundation for understanding the various parts of the sports business. Moving beyond sports writing, this text offers a distinct perspective on professional, college, and international sports organizations--structure, governance, labor issues, and other business factors within the sports community. Written clearly and compellingly, *The Business of Sports* includes cases (historical, current, and hypothetical) to illustrate how business concerns play a role in the reporting of sports. Offering critical insights on the business of sports, this text is a required resource for sports journalists and students in journalism.

Great Book of Trains, The Shell Guide to the Birds of Britain and Ireland, Noritake Collectibles A to Z a Pictorial Record & Guide to Values (Schiffer Book for Collectors), Breyer Animal Collectors Guide: Identification and Values (Breyer Animal Collectors Guide, 2nd), MAD Maps - Get Outta Town Scenic Road Trips Map - San Jose - GOTSJC1, Running In Fear: After Hours on Bourbon Street, A Trying Question: The Jury in Nineteenth-Century Canada (Osgoode Society for Canadian Legal History), Contented Parenting: Finding Fulfilment In Loving Your Child Through Thick and Thin,
